## Projects

---

### Personal Portfolio

- Designed a professional portfolio showcasing web development skills and projects using HTML and CSS. Ensured a responsive and visually appealing design to provide a user-friendly experience.

### Shopper-Template

- Developed a dynamic and responsive Real-Time Shopper Template using HTML and CSS, creating an intuitive design for e-commerce platforms that enhances the user experience.

### Fire Alarm System Using IOT

- Developed an IoT-based Fire Alarm System that integrates smart sensors to detect smoke and fire hazards, triggering automated alerts for enhanced safety and real-time monitoring.
